Number of full-time faculty  
at Loyalist College

2006

130

The numbers say it all - 130 doing the job of 207!

**Faculty want more full-time faculty hired**

**Bob Rae recommends it!**

**Premier Dalton McGuinty is investing in it!**

**Students and the Ontario public are counting on it!**

**College Management wants fewer and fewer faculty  
teaching our students**

*Why are they against quality improvements to  
education in our Colleges?*

Let your MPP and Premier know how you feel about College Management ignoring  
this issue
